

Hot School Meals

As you are hopefully aware, all children in Years Reception, Year 1 and Year 2 are offered the opportunity to have a free hot school meal on a daily basis. If your child is attending school **all** day you will be able to book a hot school meal via the Forerunner online-booking system on the Forerunner website (more detailed instructions will follow once your account has been set up). We are unable to offer the hot meal service whilst they are attending for mornings only.

The meals are prepared off site by Forerunner, delivered daily and served by our midday supervisors in the school hall. There is a three week menu cycle with a daily choice of a main meal, vegetarian meal or jacket potato (sample menu attached) and a new menu is provided every term. You are not obliged to order a school meal every day but can order to suit. Please note all orders must be placed online by **midnight** on the Monday **preceding** the week of the orders. Should you have any special dietary requirements for your child please contact the school office.

Further information for the ordering of Forerunner hot meals, for the first few weeks will follow in due course.

Please do not hesitate to contact the school office if you have any queries.
